

SERENITY™ SOLUTION

THE TEXTILE WITH RELAXING ACTIONS

ALL THE AROMATHERAPY BENEFITS IN A BIOSOURCED TREATMENT

PERMANENT FEELING OF WELL-BEING

SERENITY™ offers a **relaxing and soothing sensation**. This treatment is inspired by aromatherapy and improves comfort and sleep.

ECO-MICROENCAPSULATED TECHNOLOGY

Features a **high-performance microencapsulated technology** that ensures prolonged persistence and long-lasting effectiveness.

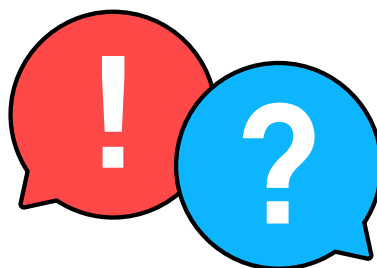

NATURALLY-OCCURRING SUBSTANCE

Inspired by medicinal plants and aromatherapy, SERENITY™ is a 100% French technology that is composed of **natural essential oils**.

COMPLIANT & RESPONSIBLE

Responsible and sustainable, the SERENITY™ solution is **respectful of people and the environment**.

Mechanism of action

Performance

Depending on the variety of plant, the essential oil is extracted from the leaves, bark, roots, fruits or flowers. It is therefore a plant essence, very rich in aromatic molecules. Essential oils are composed of a few hundred active molecules, which are very beneficial to the human body. Each active ingredient has its own virtues. SERENITY™ essential oils help fight stress and anxiety. They provide a calming and relaxing action that promotes sleep.

SERENITY™ ENVELOPS THE SKIN WITH A GENTLE SCENT OF VERBENA FOR A MOMENT OF PURE RELAXATION

SERENITY™ SOLUTION

THE TEXTILE WITH RELAXING ACTIONS

Active treatment substances

SERENITY™ combines the virtues of chamomile, petitgrain and verbena essential oils. Verbena known for their soothing and relaxing actions. SERENITY™ releases a light Verbena fragrance with fines and subtle notes inspired by medicinal plants.
